## Care For Your Creek - Get Creative

### WIN \$900 IN PRIZES!!!

Your local creek is a special place it is home to diverse flora and fauna and it's a great place to explore and play. Did you know that it's important to care for our creeks by keeping them free from pollution and rubbish? Creeks that are clean have larger numbers of native plants and animals and are nicer areas for us to be around.

An initiative of Bardon State School's 25th Anniversary Mayfair and supported by local businesses *you are being asked to design an A4 size poster showing a healthy creek scene.* Entry into the competition is just \$2 and we have three big Suncorp bank accounts to give away!!! All money raised will go towards the wonderful work SOWN does to keep our creeks healthy and clean.
